

BP 4110 Honorary Degrees

Reference:

Education Code Section 72122

Note: *The following applies only if the Board has determined to offer honorary degrees.*

The Superintendent/President or designee will develop procedures and criteria for the conferring of Honorary degrees on persons who have made outstanding and substantive contributions to The College, the community or society.

Honorary degrees may be awarded at commencement or some other equally appropriate time. The names of persons receiving honorary degrees must be approved by the Board.
