

## **Suggested Senate Goals from online survey**

1. A plan and timeline for carrying out the information competency requirement.
2. Committee handbook updated.
3. More updates/revisions to the Senate Constitution.

I don't know if this is a 'union' or 'senate' issue, but I would really like for all adjunct faculty to have a campus email and a login so that they can use the smart classrooms they work in.

1. Restructure shared governance paradigm.
2. Develop and approve student learning outcome assessments.
3. Participate in the recruitment and selection of a new President/Superintendent.
4. Participate in an effective Basic Skills initiative to support our students.
5. Restore faculty sabbaticals.

1. Establish the internal structure w/ resources for the senate to assume responsibility for the 11 items as per Title V.
2. Provide the leadership and work w/ the other senates for the adoption of a new shared governance structure/process.
3. Work w/ the board and campus community to select a new pres/supt.
