For All students regardless of Immigration Status  
Para TODO estudiante sin importar su estatus migratorio

If a student is not yet a legal permanent resident, they should look into private scholarships to help pay for educational expenses. The majority of the scholarships do not require social security number, legal residency, or citizenship.

Si algún estudiante aun no es residente legal, es importante buscar becas privadas para ayudar con los costos educativos. La mayoría de las becas no requieren seguro social, residencia legal, ó ciudadanía.
